## Saint Columban Youth Ministry- Confirmation 2018-19

Dear Parents,

Nothing is more important than protecting our children and youth. Since 2002 we have focused our efforts to better achieve that sacred duty. In response to the *Charter for the Protection of Children and Youth*, our schools and parishes have incorporated child abuse prevention training for children, youth and adults. This training coupled with background screening of all adults working with children and youth has proven a powerful tool against sexual abuse of our most precious members, the children and youth of our diocese.

Every parish and school in the Diocese of Orange ensures that every child and youth receives Safe Environment training annually. As part of your teen's Confirmation/Youth Ministry experience he/she will participate in a program which has been approved by the Diocesan Office of Child and Youth Protection.

The program is faith based and adheres to sound Catholic doctrine. The goal of the program is to help teenagers realize their dignity and worth as given by God. It will challenge teens to understand what a safe environment is, and why our dignity requires that we work for the safety and respect of everyone. For a copy of the Safe Environment program your teen will participate in please contact the Confirmation Director.

In Christ,

Saint Columban Youth Ministry and Confirmation
